CLAUSE APPLICABILITY MATRIX

December 16, 2013

In accordance with the contract clause entitled "Type of Contract," this contract contains a Cost-Plus-Fixed-Fee (CPFF) Core Services requirement and an Indefinite Delivery, Indefinite Quantity (IDIQ) requirement. Under the IDIQ portion of the contract, the following types of task orders can be issued in accordance with the clauses entitled "Task Ordering Procedure" and "Supplemental Task Ordering Procedures" of the contract: CPFF services and FFP Construction (FFP CON). The matrix table below specifies the contract clauses that apply to the Core Services and each type of IDIQ task order issued.

Explanation of Matrix Table Columns:

Clause No. – This column shows the applicable Federal Acquisition Regulation (FAR), NASA FAR Supplement (NFS), or Goddard Space Flight Center (GSFC) clause number and the Uniform Contract Format section clause number. Not all clauses in this contract contain a FAR, NFS, or GSFC clause number.

UCF – The Uniform Contract Format (UCF) column shows in which contract section the applicable clause is located.

Clause Title – This column shows the title of the applicable clause.

CORE CPFF – The Core Services (CORE) column shows which clauses apply to the contract's Core Services CPFF requirements. If there is an "x" in the CORE column for a given clause, then the clause applies to the contract's Core Services requirements. If the CORE column is blank for a given clause, then the clause does not apply to the contract's Core Services requirements.

IDIQ CPFF – The IDIQ CPFF column shows which clauses apply to the contract's IDIQ CPFF task orders issued. If there is an "x" in the IDIQ CPFF column for a given clause, then the clause applies to the contract's IDIQ CPFF task order requirements. If the IDIQ CPFF column is blank for a given clause, then the clause does not apply to the contract's IDIQ CPFF task order requirements.

IDIQ FFP CON – The IDIQ FFP CON column shows which clauses apply to the contract's IDIQ FFP construction task orders issued. If there is an "x" in the IDIQ FFP CON column for a given clause, then the clause applies to the contract's IDIQ FFP construction task order requirements. If the IDIQ FFP CON column is blank for a given clause, then the clause does not apply to the contract's IDIQ FFP construction task order requirements
