Disclaimer

Marshall Space Flight Center (MSFC) Facilities Engineering Office makes these documents available on an "as is" basis. All warranties and representations of any kind with regard to said documents are disclaimed, including the implied warranties of merchantability and fitness for a particular use.
NASA does not warrant the documents against deficiencies of any kind.
However, no attempt has been made to ensure that there were no errors in the conversion process. Receiver agrees that NASA cannot be held responsible for problems arising from files which have been converted. Since revisions or additions to the design file drawings may occur at any time, the Receiver agrees to indemnify, defend and hold harmless NASA, its officers, agents, and employees from and against any and all claims, suits, losses, damages or costs.

Special Printing Instructions

This project requires special printing procedures to ensure that the entire project when printing, maintains all comments and markups that have been incorporated in the current Plans/PDF file. These drawings were designed to be printed at a NASA sheet size: MSFC Standard Size 40" x 28"
