Contractors will be attending an Industry Day for the Facilities Construction, Engineering, and Technical Services (FaCETS) procurement on May 13, 2010. The Industry Day will start at the Visitor Center gallery meeting room at 10:00 a.m. with a few introductory remarks. At approximately 10:30 a.m., we have arranged for a bus to take the contractors to Bldg. 79 for a brief stop, and then to Bldg. 18 for a brief stop, to view Installation-Accountable Government property that will be furnished under the contract. The Industry Day will conclude back at the Visitor Center at 12:00 noon.
