KLXS-II

ATTACHMENT J.03

GOVERNMENT FURNISHED SERVICES

Kennedy LX Support Contract-II (KLXS-II)			NASA Contracts												USAF Contracts		
This listing represents the Government Furnished Services provided for the Kennedy LX Support Contract-Two (KLXS-II). The services listed have limitations on volume or quantity of service.																	
Service	**Description**	**NASA**	**ISC**	**ESC**	**IMCS**	**NICS**	**ACES**	**MESC**	**KPSC**	**Grounds**	**Mail**	**KISS II**	**Cafeteria**	**Custodial**	**LOSC**	**IOMS**	**Refuse**
Institutional Support Services	- Utilities (Water, Sewage, Natural Gas, Electricity)	X															
	- Provisioning of load test weights and fixtures		X														
	- Office Space/Work Area Space	X															
	- Basic Furniture out of KSC Furniture Inventory. Does not include special needs furniture required by the Contractor workforce (e.g., ADA requirements, special ergonomic requirements)	X															
	- Space Planning	X															
	- Office Moves and Alterations (NASA-Directed)		X														
	- Food Services (during normal operation hours)												X				
	- Locksmith Services								X								
	- Personal Property Management (N-Prop)	X															
	- Real Property Management	X															
	- Operations, Maintenance, and Engineering of Facilities, Systems and Equipment		X												X	X	
	- Grounds and Landscape Maintenance									X							
	- Pest Control and Extermination (interior/exterior)									X							
	- Refuse Collection																X
	- Custodial Services (excluding fire stations)													X			
	- Fire Protection Program and Emergency Services								X								
	- Fire Inspection and Prevention								X								
	- Security Services: Includes law enforcement, investigations, badging/identification and personnel security								X								
	- Medical Clinic Services (including Certification Physicals, First Aid, Emergency Services) (Ref. KNPD 1810.1, *KSC Occupation Medicine Program*)							X									
	- Industrial Hygiene Consultation							X									
	- Public Health Services							X									
	- Hazardous and Controlled Waste Disposal							X									
	- Ordnance Services (Ref. JOP 15E-3-15/KCA-1290 Rev. A)																
	- Health Physics (Radiation Protection) Consultation							X									
	- Material Safety Data Sheet (MSDS) Repository							X									
	- Environmental Sampling and Analysis							X									
	- Mail Service										X						
	- Library (including serial and publication subscriptions)				X												
	- Graphics (NASA-Directed)				X												
	- Forms Support (electronic and hardcopy)				X												
	- Cable Plant Services				X												
	- Voice and Video Conferencing: Includes operating VITS rooms and portable VITS equipment and access to local and toll free teleconferences				X	X											
	- IT-related repairs of electronic equipment in conference rooms and other common locations				X												
	- Secure Telephone Unit (STU) and Secure Terminal Equipment (STE): Includes device, installation and support								X								
	- Classified Conference Room/Facility	X															
	- Life Support Services (SCAPE, ELSA, etc.)		X														
	- Railroad Operations		X														
	- Data Transmission				X												
	- Area Paging System (including weather warnings)				X												
	- Timing and Countdown				X												
	- Removal of animal carcasses from roads		X														
KISS- II (Technical Training)	- Safety, health, skills, and operational area access training and certification											X					

Kennedy LX Support Contract-II (KLXS-II)			NASA Contracts												USAF Contracts		
This listing represents the Government Furnished Services provided for the Kennedy LX Support Contract-Two (KLXS-II). The services listed have limitations on volume or quantity of service.																	
Service	**Description**	**NASA**	**ISC**	**ESC**	**IMCS**	**NICS**	**ACES**	**MESC**	**KPSC**	**Grounds**	**Mail**	**KISS II**	**Cafeteria**	**Custodial**	**LOSC**	**IOMS**	**Refuse**
Job-Specific Medical Training	- CPR/First Aid and bloodborne pathogen training							X									
IT Networks Services	- Access to the KSC computer networks, including the internet					X											
Telephones	- Includes instruments, voicemail, and long distance service				X												
IT Security	- Vulnerability scanning of all systems connected to KSC Network (KNET)	X															
	- Preliminary documentation review of Contractor IT System Security Plans (ITSSP)				X												
	- Certification of IT systems (via Agency procured service)	X															
	- NASA Security Assessment and Authorization Repository (NSARR): authoritative tool for developing, implementing, and storing ITSSP documentation as required by NPR 2810	X															
	- Agency Security Update Service (ASUS): Patchlink tool to facilitate patch management and reporting	X															
	-IT Security Enterprise Data Warehouse (ITSEC-EDW): used to document GSDO IT inventory	X															
	- Encryption solutions: Public Key Infrastructure (PKI) and Data at Rest (DAR) tools for storage and sharing of data in a secure manner	X															
IT Secure Remote Access	- Provide secure remote (home or travel) access to computer resources at the Center by Virtual Private Network (VPN) or modem (dial-in)					X	X										
IT End User Services	- Includes desktops, laptops and workstations (both general purpose and scientific & engineering computers), associated IT peripherals, cell and smart phones, pagers, printer and multifunctional devices (MFD) services, email, and domain account services. The provider is responsible for asset management, IT Security compliance and associated support services (e.g., 24/7 Help Desk, first call resolution of issues, service ticket tracking and ordering of ACES products)						X										
IT Kennedy Data Center (KDC) Services	- Hardware Housing (e.g., KLXS II-provided and KLXS II maintained IT harware).				X												
	- Dedicated Server Services (includes KDC-managed hardware, operating systems, and application platforms)				X												
	- Full-Services Hosting Services (includes KDC-managed hardware, operating systems, application platforms, web applications, databases, collaborative services, streaming media, version control, file hosting).				X												
IT Software Services	- Software development and sustaining of Government provided applications, websites, and databases (e.g.: SharePoint 2010, DDMS, TechDoc)				X												
IT Systems and Support	- Identity Management Databases (IdMAX): Used for requesting and tracking access to applications. The database may contain user personally identifiable information (PII)	X															
	- System for Administration, Training, and Educational Resources for NASA (SATERN): Used for mandatory NASA training courses, training requests, and training record tracking	X															
	- NASA Property Tracking System (NPROP): Utilized to track all NASA tagged equipment/property				X												
	- SharePoint 2010: Used to communicate, distribute, access, and store GSDO data (e.g. documents, plans, minutes)				X												
	- Design Data Management System (DDMS): KSC's installation of Windchill to house NASA engineering and design data				X												

Kennedy LX Support Contract-II (KLXS-II)			NASA Contracts												USAF Contracts		
This listing represents the Government Furnished Services provided for the Kennedy LX Support Contract-Two (KLXS-II). The services listed have limitations on volume or quantity of service.																	
Service	**Description**	**NASA**	**ISC**	**ESC**	**IMCS**	**NICS**	**ACES**	**MESC**	**KPSC**	**Grounds**	**Mail**	**KISS II**	**Cafeteria**	**Custodial**	**LOSC**	**IOMS**	**Refuse**
	- TechDoc: KSC document management system (e.g., KDPs)	X															
	- Integrated Collaborative Environment (ICE): Used to store and access data	X															
Engineering Documentation Center	- Repository for drawings, records, micro imaging, and specifications				X												
Geographic Information System (GIS)	- Database of COTS software packages linking topographic, demographic, utility, facility, image and other resource data that is geographically referenced data for KSC				X												
Surveillance Television	- Closed video transmission (TV or Web) used to monitor launch vehicle, payloads operations, and facility security				X												
PSCC Systems	(e.g.. Coastal radar, electronic security systems, fire alarm systems, tornado areas warning systems, etc.)		X		X												
Cable TV Service (BCDS)	- In facilities with existing capabilities. Does not include TV equipment				X												
Photography	- Administrative photography, including passport, newsletter, and special events				X												
Graphic Services (Requires NASA approval)	- Graphics used in illustrations and documents, including photo-retouching and editing of photos, web graphics and interactive media, posters, charts, badges, certificates, labels, dry mounting, laminating, framing, scanning				X												
Imaging Services	- KSC/NASA Digital Photo Services Support				X												
	- Provide document conversion				X												
	- Institutional Computerized Archival System (ICAS)																
	- Provide CD-ROM mastering and duplicating				X												
Audio/Visual and Presentation Support	- Operate Mission Briefing Room, OSB II 5th Floor Conference Room, and KSC Auditorium. Loaner equipment for projectors, video equipment, etc.				X												
Voice and Video Conferencing	- Operate VITS rooms and portable VITS equipment. Access to local and toll free teleconferences				X												
Public Address Service	- Provide audio at events in various locations, including KARS I and KARS II				X												
Radio Services	- Provides devices, distribute and train users				X												
Operational Intercommunications System (OIS)	- Provide OIS in facilities/infrastructure with existing capabilities				X												
Office Multi-Function Devices	-Provide copy, print, scanning, and faxing. Includes toner only						X										
Logistics Services	- Warehousing		X														
	- Shipping and Receiving Services, excluding ordnance		X														
	- Shipping and Receiving Services, ordnance only															X	
	- Government Property Disposal		X														
	- Material Management		X														
	- Property Management		X														
	- Transportation Services		X														
Printing and Reproduction	- Printing and duplication of color and black and white documents, including micro-imaging in accordance with KNPD 1490.2; *Printing, Duplicating, Micro-Imaging, and Office Copier Service*				X												

Kennedy LX Support Contract-II (KLXS-II)			NASA Contracts												USAF Contracts		
This listing represents the Government Furnished Services provided for the Kennedy LX Support Contract-Two (KLXS-II). The services listed have limitations on volume or quantity of service.																	
Service	**Description**	**NASA**	**ISC**	**ESC**	**IMCS**	**NICS**	**ACES**	**MESC**	**KPSC**	**Grounds**	**Mail**	**KISS II**	**Cafeteria**	**Custodial**	**LOSC**	**IOMS**	**Refuse**
Laboratory Services	- Biomedical	X															
	- Failure Analysis	X															
	- Instrumentation and Controls Development	X		X													
	- Environmental & Corrosion Testing	X		X													
	- Environmental Monitoring	X						X									
	- Contamination Control Verification and Sampling	X															
	- Non-Destructive Evaluation		X														
	- Standards and Calibration		X														
	- Chemical Sampling & Analysis		X														
	- Component Cleaning & Refurbishment		X														
	- Prototype Development	X															
	- Materials Test & Chemical Analysis	X															
	- Electronics Development	X		X													
	- Hazardous Gas Leak & Detection	X		X													
	- Power Systems Development	X		X													
	- Range & Systems Health Development	X		X													
	- Data Acquisition Development	X		X													
	- Electromagnetic			X													
Propellant and Life Support Services	- Life Support Services (Supplied-air respirators, medical resuscitators, Self-Contained Breathing Apparatus (SCBA)		X														
Industrial Hygiene	- Bulk asbestos sampling/analysis for Government provided facilities		X														
	- Asbestos contamination repair/clean up for Government provided facilities		X														
	- Consultation support on design, baseline operations hazard assessment and emergency response		X						X
