RFI A/E
Question Set 1
February 23, 2010

Question/Comment	Answer(s)
1. What is the name of the incumbent currently providing the Architectural Engineering (A/E) Services and the contract number?	The current contractor is AECOM and the contract number is NNA07CF62C.
2. What is the current contract value?	The current contract is valued at $47,500,000.00
3. Are the A/E services to be performed on-site?	Although the current contract is performed on-site, the follow-on A/E services are to be preformed off-site at the Contractor provided facilities.
4. The RFI states "The Prime AE firm shall have a working office located within 75100 miles of the NASA Ames Research Center facility." What is the correct distance the working office has to be located within?	The RFI should read "The Prime A/E firm shall have a working office located within 75 miles of the NASA Ames Research Center facility."
