ATTACHMENT J-06

GOVERNMENT-FURNISHED SERVICES

FOR

KENNEDY ENVIRONMENTAL AND MEDICAL CONTRACT (KEMCON)

Government-Furnished Services (GFS) to NASA and KSC Contractors and Tenants

This listing represents the Government-Furnished Services for the KEMCON. Unless approved by the Government or identified as optional below, the Contractor shall not use alternate sources for any of the services listed. These services listed have limitations on volume or quantity of service. These are the service providers at the time of the KEMCON award. (Note – This table has changed since the award of the previous Medical and Environmental Support Contract. It is no longer the Government's intent to provide some of the earlier, historically provided services (e.g. on-site equipment maintenance, calibration, and shipping and receiving services).

			NASA Contracts												
Service	**Description**	**NASA**	**Institutional Support Contractor**	**Kennedy Propellants and Life Support Contractor**	**Information Management and Communication Support Contractor**	**Kennedy Protective Services Contractor**	**Agency Consolidated End-User Services**	**NASA Integrated Communications Services**	**Mail Services Contractor**	**KSC Institutional Support Services III**	**Cafeteria Vendors**	**Custodial Services Contractor**	**Engineering Support Contractor**	**Grounds Maintenance Contractor**	**Refuse Contractor**
Institutional Support Services	- Utilities (Water, Sewage, Natural Gas, Electricity)	X													
	- Office Space/Work Area Space	X													
	- Basic Furniture out of KSC Furniture Inventory *	X													
	- Office Moves and Alterations (NASA-Directed)		X												
	- Food Services (during normal operation hours)										X				
	- Locksmith services					X									
	- Facility and Facility System O&M		X												
	- Grounds and Landscape Maintenance													X	
	- Pest Control and Extermination (interior/exterior)													X	
	- Refuse Collection														X
	- Custodial Services											X			
	- Fire Protection Program and Emergency Services					X									

This listing represents the Government-Furnished Services for the KEMCON. Unless approved by the Government or identified as optional below, the Contractor shall not use alternate sources for any of the services listed. These services listed have limitations on volume or quantity of service. These are the service providers at the time of the KEMCON award. (Note – This table has changed since the award of the previous Medical and Environmental Support Contract. It is no longer the Government's intent to provide some of the earlier, historically provided services (e.g. on-site equipment maintenance, calibration, and shipping and receiving services).

			NASA Contracts												
Service	**Description**	**NASA**	**Institutional Support Contractor**	**Kennedy Propellants and Life Support Contractor**	**Information Management and Communication Support Contractor**	**Kennedy Protective Services Contractor**	**Agency Consolidated End-User Services**	**NASA Integrated Communications Services**	**Mail Services Contractor**	**KSC Institutional Support Services III**	**Cafeteria Vendors**	**Custodial Services Contractor**	**Engineering Support Contractor**	**Grounds Maintenance Contractor**	**Refuse Contractor**
	- Fire Inspection and Prevention					X									
	- Security Services (including law enforcement, investigations, badging and identification, and personnel security)					X									
	- Mail Service								X						
	- Library (including serial & publication subscriptions)				X										
	- Forms Support (electronic and paper)				X										
	- Area Paging System (including weather warnings)				X										
Technical Training	- Safety, health, environmental, and operational area access training and certification									X					
IT Network Services	- Access to the KSC computer networks, including the internet							X							
Telephones	- Instruments, voicemail, and long distance service for facilities at KSC and KSC facilities located at CCAFS				X										

This listing represents the Government-Furnished Services for the KEMCON. Unless approved by the Government or identified as optional below, the Contractor shall not use alternate sources for any of the services listed. These services listed have limitations on volume or quantity of service. These are the service providers at the time of the KEMCON award. (Note – This table has changed since the award of the previous Medical and Environmental Support Contract. It is no longer the Government's intent to provide some of the earlier, historically provided services (e.g. on-site equipment maintenance, calibration, and shipping and receiving services).

			NASA Contracts												
Service	**Description**	**NASA**	**Institutional Support Contractor**	**Kennedy Propellants and Life Support Contractor**	**Information Management and Communication Support Contractor**	**Kennedy Protective Services Contractor**	**Agency Consolidated End-User Services**	**NASA Integrated Communications Services**	**Mail Services Contractor**	**KSC Institutional Support Services III**	**Cafeteria Vendors**	**Custodial Services Contractor**	**Engineering Support Contractor**	**Grounds Maintenance Contractor**	**Refuse Contractor**
IT Security Support Services	- Vulnerability scanning and preliminary assessment for contractor security plans	X													
	- Preliminary documentation review of Contractor IT System Security Plans (ITSSP)				X										
	- Assessment and Authorization of IT Systems	X													
	- Encryption solutions: Public Key Infrastructure (PKI) and Data at Rest (DAR) tools for storage and sharing of data in a secure manner	X													
IT Secure Remote Access Services	- Provide secure remote access capability (outside KSC logical perimeter) to computer resources at the Center by Virtual Private Network (VPN) or modem (dial-in)							X							

This listing represents the Government-Furnished Services for the KEMCON. Unless approved by the Government or identified as optional below, the Contractor shall not use alternate sources for any of the services listed. These services listed have limitations on volume or quantity of service. These are the service providers at the time of the KEMCON award. (Note – This table has changed since the award of the previous Medical and Environmental Support Contract. It is no longer the Government's intent to provide some of the earlier, historically provided services (e.g. on-site equipment maintenance, calibration, and shipping and receiving services).

			NASA Contracts												
Service	**Description**	**NASA**	**Institutional Support Contractor**	**Kennedy Propellants and Life Support Contractor**	**Information Management and Communication Support Contractor**	**Kennedy Protective Services Contractor**	**Agency Consolidated End-User Services**	**NASA Integrated Communications Services**	**Mail Services Contractor**	**KSC Institutional Support Services III**	**Cafeteria Vendors**	**Custodial Services Contractor**	**Engineering Support Contractor**	**Grounds Maintenance Contractor**	**Refuse Contractor**
IT End User Services	- Administrative desktops, laptops and workstations (both general purpose and scientific & engineering computers) and associated IT peripherals						X								
	- Printers and multi-functional device services						X								
	- E-mail and domain account services						X								
	- Cell phones (including smart phones) and pagers						X								
IT Kennedy Data Center (KDC) Services	- **Infrastructure as a Service (IAAS)** – Includes co-location at the KDC, Government-provided physical or virtual servers (as described in KSC-UG-3360, Application and Software Standards), operating system services, and IT Security Plan				X										

This listing represents the Government-Furnished Services for the KEMCON. Unless approved by the Government or identified as optional below, the Contractor shall not use alternate sources for any of the services listed. These services listed have limitations on volume or quantity of service. These are the service providers at the time of the KEMCON award. (Note – This table has changed since the award of the previous Medical and Environmental Support Contract. It is no longer the Government's intent to provide some of the earlier, historically provided services (e.g. on-site equipment maintenance, calibration, and shipping and receiving services).			NASA Contracts												
Service	**Description**	**NASA**	**Institutional Support Contractor**	**Kennedy Propellants and Life Support Contractor**	**Information Management and Communication Support Contractor**	**Kennedy Protective Services Contractor**	**Agency Consolidated End-User Services**	**NASA Integrated Communications Services**	**Mail Services Contractor**	**KSC Institutional Support Services III**	**Cafeteria Vendors**	**Custodial Services Contractor**	**Engineering Support Contractor**	**Grounds Maintenance Contractor**	**Refuse Contractor**
	- **Platforms as a Service (PAAS)** – In addition to the infrastructure, Government will provide the appropriate platform for all required applications				X										
IT Systems and Support Services	- **Software as a Service (SAAS)** – Software development and sustaining of Government-provided IT applications, websites and databases (see Attachment J-16 for Government-Provided Legacy IT Systems)				X										
	- **Maximo Asset and Service Management System:** lifecycle asset management system. Service includes licenses, hosting of Maximo software, platform operations and maintenance. (Optional)				X										
	- **TechDoc:** KSC document management system for process and requirements documentation.	X													

This listing represents the Government-Furnished Services for the KEMCON. Unless approved by the Government or identified as optional below, the Contractor shall not use alternate sources for any of the services listed. These services listed have limitations on volume or quantity of service. These are the service providers at the time of the KEMCON award. (Note – This table has changed since the award of the previous Medical and Environmental Support Contract. It is no longer the Government's intent to provide some of the earlier, historically provided services (e.g. on-site equipment maintenance, calibration, and shipping and receiving services).			NASA Contracts												
Service	**Description**	**NASA**	**Institutional Support Contractor**	**Kennedy Propellants and Life Support Contractor**	**Information Management and Communication Support Contractor**	**Kennedy Protective Services Contractor**	**Agency Consolidated End-User Services**	**NASA Integrated Communications Services**	**Mail Services Contractor**	**KSC Institutional Support Services III**	**Cafeteria Vendors**	**Custodial Services Contractor**	**Engineering Support Contractor**	**Grounds Maintenance Contractor**	**Refuse Contractor**
	- **Institutional Geographic Information System (GIS):** Database of COTS software packages linking topographic, demographic, utility, facility, image and other resource data that is geographically referenced data for KSC.				X										
	- **System for Administration, Training and Educational Resources for NASA (SATERN):** learning management system for the completion and tracking of Area Access and Security Awareness (IT Security, SBU, etc.)	X													
	- **NASA Property Tracking System (NPROP):** Utilized to track all NASA tagged equipment/property.				X										

This listing represents the Government-Furnished Services for the KEMCON. Unless approved by the Government or identified as optional below, the Contractor shall not use alternate sources for any of the services listed. These services listed have limitations on volume or quantity of service. These are the service providers at the time of the KEMCON award. (Note – This table has changed since the award of the previous Medical and Environmental Support Contract. It is no longer the Government's intent to provide some of the earlier, historically provided services (e.g. on-site equipment maintenance, calibration, and shipping and receiving services).			NASA Contracts												
Service	**Description**	**NASA**	**Institutional Support Contractor**	**Kennedy Propellants and Life Support Contractor**	**Information Management and Communication Support Contractor**	**Kennedy Protective Services Contractor**	**Agency Consolidated End-User Services**	**NASA Integrated Communications Services**	**Mail Services Contractor**	**KSC Institutional Support Services III**	**Cafeteria Vendors**	**Custodial Services Contractor**	**Engineering Support Contractor**	**Grounds Maintenance Contractor**	**Refuse Contractor**
	- **Sharepoint 2010:** Used to communicate, distribute, access, and store data (e.g. documents, plans)				X										
	- **Asbestos Management Information System (AMIS):** Online index of identified asbestos containing material (ACBM) in NASA-KSC facilities that includes digital images of the ACBM and a hazard assessment associated with the areas or rooms containing friable asbestos				X										
	- **Engineering Documentation Center (EDC):** NASA engineering repository for drawings, records, micro-imaging, and specifications.				X										

This listing represents the Government-Furnished Services for the KEMCON. Unless approved by the Government or identified as optional below, the Contractor shall not use alternate sources for any of the services listed. These services listed have limitations on volume or quantity of service. These are the service providers at the time of the KEMCON award. (Note – This table has changed since the award of the previous Medical and Environmental Support Contract. It is no longer the Government's intent to provide some of the earlier, historically provided services (e.g. on-site equipment maintenance, calibration, and shipping and receiving services).			NASA Contracts												
Service	**Description**	**NASA**	**Institutional Support Contractor**	**Kennedy Propellants and Life Support Contractor**	**Information Management and Communication Support Contractor**	**Kennedy Protective Services Contractor**	**Agency Consolidated End-User Services**	**NASA Integrated Communications Services**	**Mail Services Contractor**	**KSC Institutional Support Services III**	**Cafeteria Vendors**	**Custodial Services Contractor**	**Engineering Support Contractor**	**Grounds Maintenance Contractor**	**Refuse Contractor**
	- **NASA Security Assessment & Authorization Repository (NSAAR):** authoritative tool for developing and storing ITSSP and Plan of Action and Milestones (POA&M) documentation	X													
	- **Agency Security Update Service (ASUS):** Tool to facilitate patch management and Security Content Automation Protocol (SCAP) reporting.	X													
Surveillance Television	- Closed video transmission (TV or Web) used to monitor launch vehicle, payloads operations, and facility security.				X										
Cable TV Service	- In facilities with existing capabilities. Does not include the TV.				X										
Graphic Services (Requires NASA Approval)	- Graphics used in illustrations and documents, including photo-retouching and editing of photos, web graphics and interactive				X										

This listing represents the Government-Furnished Services for the KEMCON. Unless approved by the Government or identified as optional below, the Contractor shall not use alternate sources for any of the services listed. These services listed have limitations on volume or quantity of service. These are the service providers at the time of the KEMCON award. (Note – This table has changed since the award of the previous Medical and Environmental Support Contract. It is no longer the Government's intent to provide some of the earlier, historically provided services (e.g. on-site equipment maintenance, calibration, and shipping and receiving services).

			NASA Contracts												
Service	**Description**	**NASA**	**Institutional Support Contractor**	**Kennedy Propellants and Life Support Contractor**	**Information Management and Communication Support Contractor**	**Kennedy Protective Services Contractor**	**Agency Consolidated End-User Services**	**NASA Integrated Communications Services**	**Mail Services Contractor**	**KSC Institutional Support Services III**	**Cafeteria Vendors**	**Custodial Services Contractor**	**Engineering Support Contractor**	**Grounds Maintenance Contractor**	**Refuse Contractor**
	media, posters, charts, badges, certificates, labels, dry mounting, laminating, framing, scanning.														
Imaging Services	- KSC/NASA Digital Photo Services Support				X										
	- Provide document conversion				X										
	- Provide CD-ROM mastering and duplicating				X										
Audio/Visual and Presentation Support	- Operate Mission Briefing Room, OSB II 5th Floor Conference Room, and KSC Auditorium. Loaner equipment for projectors, video, etc.				X										
Voice and Video Conferencing	- Operate VITS rooms and portable VITS equipment. Access to local and toll free teleconferences.				X			X							
Public Address Service	- Provide audio at events in various locations, including KARS I and KARS II.				X										
Operational Intercommunications System (OIS)	- Provide OIS in facilities with existing capabilities.				X										

This listing represents the Government-Furnished Services for the KEMCON. Unless approved by the Government or identified as optional below, the Contractor shall not use alternate sources for any of the services listed. These services listed have limitations on volume or quantity of service. These are the service providers at the time of the KEMCON award. (Note – This table has changed since the award of the previous Medical and Environmental Support Contract. It is no longer the Government's intent to provide some of the earlier, historically provided services (e.g. on-site equipment maintenance, calibration, and shipping and receiving services).

			NASA Contracts												
Service	**Description**	**NASA**	**Institutional Support Contractor**	**Kennedy Propellants and Life Support Contractor**	**Information Management and Communication Support Contractor**	**Kennedy Protective Services Contractor**	**Agency Consolidated End-User Services**	**NASA Integrated Communications Services**	**Mail Services Contractor**	**KSC Institutional Support Services III**	**Cafeteria Vendors**	**Custodial Services Contractor**	**Engineering Support Contractor**	**Grounds Maintenance Contractor**	**Refuse Contractor**
Printing and Reproduction	- Printing and duplication of color and black and white documents, including micro-imaging in accordance with KNPD 1490.2 *Printing, Duplicating, Micro-imaging, and Office Copier Service.*				X										
Propellant and Life Support Services	- Life Support Services (ELSA, SCAPE, Supplied-air respirators, medical resuscitators)			X											
Consumables	- Pneumatics, Fluids, Gases			X
