Hampton, Virginia 23681-2199

SOLICITATION

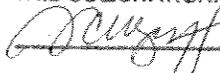

NNL0 9272127R

REQUIREMENT:

This solicitation is a Request for Proposal (RFP) issued pursuant to NASA FAR Supplement 1815.203.

1. Section L, Provision L. 9-22 contains important information on proposal preparation. Section M sets forth the evaluation methods for award.
2. The Government intends to award the contract resulting from this solicitation without discussions. See Section L provision entitled, "INSTRUCTIONS TO OFFERORS – COMPETITIVE ACQUISITION (FAR 52.215-1) (JAN 2004)." To facilitate this process, we would like to avoid situations where proposals include substantive exceptions to the proposed contract items and conditions, which might be unacceptable to the Government and, therefore, preclude award. The resolution of any exceptions to terms and conditions prior to receipt of proposals will aid the Government in its intention to award without discussions and thus streamline the procurement process.
3. NAICS Code: 541690 is applicable to this procurement.
4. A Pre-proposal Conference is or is not planned. See Section L, Provision L 8
5. "Bidders Library" information is or is not included. See Section L, Provision L
6. Section L, L. 9 Proposal Page Limitations (NASA 1852.215.81) (FEB 1998) includes a 40 page limitation for the Technical Volume. PAGES SUBMITTED IN EXCESS OF THE LIMITATIONS SPECIFIED IN THIS PROVISION WILL NOT BE EVALUATED BY THE GOVERNMENT AND WILL BE RETURNED TO THE OFFERER.
7. See Section L. 17 for proposal due dates.
8. Paragraph H.17 has been added and provides information on Government Furnished Information Technology Services. 

PURSUANT TO THE PROVISIONS OF NASA
FAR SUPPLEMENT 1804.7301
I HEREBY AUTHORIZE THE ISSUANCE OF
THIS SOLICITATION.
