

**Computational Sciences Research and Development Services
RFP2-38307-LMV**

ON HOLD

May 25, 2004

1. The point of contact for RFP2-38307-LMV, for this procurement is Lupe M. Velasquez. She can be reached by email at Lupe.M.Velasquez@nasa.gov or at fax number 650/604-3020.
2. Due to factors that may significantly alter the scope and other contract terms, NASA is delaying this procurement. The delay will allow NASA to make necessary adjustments and determinations regarding this acquisition.
3. Future updates concerning the status of this procurement will be forthcoming. Interested parties are strongly encouraged to register for automatic e-mail notification.

Register for email notification and get the latest information:

Register for NAIS email notification to ensure that you have the most recent information (including synopsis amendments, solicitation documents, status sheets, questions and answers, etc.) on this or any other acquisitions.

To do so, click on the email notification tab (second tab from right) at the Ames Business Opportunities Page (<http://prod.nais.nasa.gov/cgi-bin/eps/bizops.cgi?gr=C&pin=21>).

The following instructions are found at the website noted above:

“The NAIS Email Notification System (NENS) allows you to receive notifications on NASA acquisition opportunities of interest to you. You can register to receive email notifications by creating subscriptions, which will enable you to better track new acquisitions and their updates posted on the NASA Acquisition Internet Service (NAIS). You can track acquisition postings by product / service class, NASA center, a combination of the two, and by specific acquisition number.

First Time Users

Your first step must be to set up your user profile using the "Create User Profile" link above. After you create your profile, you will receive an email that provides instructions on the steps required to activate your profile. Once your profile is activated, you may create custom subscriptions for tracking acquisitions of interest. For more detailed instructions, see the Help File.

First Time And Returning Users

Once your profile has been created and activated, follow the "Create Subscription" link above to begin tracking acquisitions by:

1. product / service class code;
2. NASA center; and / or,
3. acquisition number.

Note: You are permitted to create multiple subscriptions for customized email notification. At any time you can update your profile if your email address changes or delete your user profile when you no longer wish to receive NAIS notifications. Similarly, your subscriptions can be modified when necessary. You will receive an email with each change to your profile and/or subscription containing the instructions for activating the change."
