

**Safety and Mission Assurance (S&MA) Support Services Contract (SSC)
NAICS Code**

Due to the volume of comments received from industry regarding the assignment of NAICS code 541330, Engineering Services, to the S&MA SSC acquisition, NASA JSC Office of Procurement has reviewed the NAICS code assignment.

After careful review of comments submitted and review of the applicable definitions for the NAICS codes suggested in the comments, we reaffirm the decision that NAICS code 541330 is the appropriate code for the work to be performed under this contract. This review included concurrence by the JSC Small Business Specialist and the Small Business Administration's Office of Size Standards in Washington, D.C.
