TO: All Prospective Offerors

FROM: NSSC Procurement Officer

SUBJECT: Revisions to the Solicitation NNX07177948R (Final),  
Agency Multifunctional Devices (MFD) Based on Industry Comments Received

On December 15, 2006, the NSSC issued draft solicitation NNX07179948R for Agency Multifunctional Devices to industry for review and comment. We were pleased to see industry's interest in this procurement along with all the valuable comments received. The Evaluation Team reviewed each one of your comments and where appropriate, revisions to the final solicitation were made. A synopsis of the significant revisions is provided below to facilitate your review of the final solicitation. All offerors are cautioned on the need to review the final solicitation in its entirety and not to solely rely on the brief synopsis for content change.
