Re: **Quote – Media Center Building 14 Studio Lighting Fixtures**

We propose to furnish the studio lighting equipment in accordance with the attached Bill of Materials for a total price of **\$35,090.00**, FOB factory, ground freight allowed to the job site. Installation is not included. This price is firm for purchase within 30 days. Terms are net 30 days from date on invoice with approved credit. Sales tax, if applicable, has not been included in this quotation.

This quotation includes a 12-month limited warranty on the system from date of shipment. Warranty excludes expendable items such as color media, lamps, or normal wear and tear.

We hope our proposal meets with your approval and we look forward to working with you on this project.

SUPPLIER'S SERVICES

1		12-month limited warranty on the system from date of shipment. Warranty excludes expendable items such as color media, lamps, or normal wear and tear
1		seven-day-a-week, toll-free service line

TERMS AND CONDITIONS

Orders placed for the above referenced project shall be as per Vincent Lighting Bill of Materials.

Payment terms are net 30 days from date on invoice for accounts with approved credit. For non-approved accounts, payment terms are 1/3 with order, 1/3 upon shipment and 1/3 upon system commissioning.

Release for manufacture and shipment of all equipment is required within 60 calendar days after receipt of order. Orders not properly released within this period are subject to a 2% per month increase.

Orders placed and subsequently cancelled, where installation drawings have been started or the purchase of special materials is required, will be assessed a cancellation charge of 25% of the quoted price for the order or actual costs incurred, whichever is greater.
