A revised SF1449 is attached. Revisions are bolded.

The Statement of Work has been changed as follows:

1) 1.3 Scope

From: "Mission requirements frequently dictate operational deployment (including international deployments) requiring High Frequency (HF) telephone patch service and fuel contract arrangements which are to be provided by the contractor."

To: "Mission requirements frequently dictate operational deployment (including international deployments) requiring ***international flight support, including airport handling requirements, diplomatic permit services*** and fuel contract arrangements which are to be provided by the contractor.

2) 1.3 (d) High Frequency (HF) Phone Patch Service

From:

d. High Frequency (HF) Phone Patch Service

The contractor shall be required to provide HF phone patch services and other types of communications on an as-required basis. The cost for this service will be paid for on as-used basis. The service shall be provided on an as-ordered basis only.

To:

d. **Phone Service**

The contractor shall be required to provide ***phone services*** and other types of communications on an as-required basis. The cost for this service will be paid for on as-used basis. The service shall be provided on an as-ordered basis only.

3) 1.3 (g) Telex Services

From:

g. Telex Services

The contractor shall be required to provide international and domestic Telex Services when dictated by NASA JSC operational mission deployments. The cost for this service will be paid for on an as-used basis. The service shall be provided on an as-ordered basis only.

To:

g. **Communication Services**

The contractor shall be required to provide international and domestic **Communication Services (facsimile, email or other services)** when dictated by NASA JSC operational mission deployments. The cost for this service will be paid for on an as-used basis. The service shall be provided on an as-ordered basis only.

Replacement pages for the Statement of Work are attached. Changes are bolded.

All other terms and conditions remain the same.
