

NASA Ames Research Center
Business Operations and Technical Services (BOATS)
Status Update # 2
NNA08223261R-ACD
May 19, 2009

Information Specifically Related to this Acquisition:

This acquisition will be issued for Small Business Set-Aside for a period of five (5) years with a two-year base period and three one-year options.

The NAICS code and Size Standard is 561210 – Facility Support Services with a size standard of \$35.5M.

We thank those who sent in questions and comments regarding the posted documents. We apologize for the delay in posting responses to the questions and comments we received. There were a large number of questions and responses have taken longer than we expected. In preparing answers to the questions, we are ensuring the updated information is included in the final solicitation documents, as necessary.

Although not all responses are ready, we are posting those questions for which answers are currently available along with this Status Update.

The tentative REVISED BOATS schedule is:

- Final solicitation – Late June 2009
- Proposals Due – Late July 2009
- Contract award – Late October 2009
- Phase-In – November 2009

Please note: [schedule and other information about major upcoming ARC procurement actions is available at](http://ec.msfc.nasa.gov/cgi-bin/eis/admin/admin.cgi?center=ARC) <http://ec.msfc.nasa.gov/cgi-bin/eis/admin/admin.cgi?center=ARC>

Other links for information:

The Ames Acquisition Forecast is posted at <http://server-mpo.arc.nasa.gov/Services/Proc/ProcDocs/forecast.tml>. The Acquisition Forecast provides the Product/Service Code, approximate value range, the fiscal year and quarter for release of the solicitation, whether it is expected to be a small business set-aside (and the extent), and if the requirement will be competitive. An explanation of the codes is at the bottom of the webpage.

Email Notification: The best way to keep informed on a regular basis is to register for email notification by clicking on the "Email Notification" tab at the top of the Ames Business Opportunities Page (<http://prod.nais.nasa.gov/cgi-bin/eps/bizops.cgi?gr=C&pin=21>).

Note: You are permitted to create multiple subscriptions for customized email notification. At any time you can update your profile if your email address changes or delete your user profile when you no longer wish to receive NAIS notifications. Similarly, your subscriptions can be modified

when necessary. You will receive an email with each change to your profile and/or subscription containing the instructions for activating the change.

After you create your profile (user account), follow the "Create Subscription" link to begin tracking acquisitions by:

1. Product / service class code;
2. NASA center; and / or,
3. Acquisition number.
