Question 1:

Would the Government consider changing the orals to allow the Offeror to have some of the Key Personnel present and not all proposed Key Personnel present?

Government Response 1:

The Government anticipates a change in the final Request for Proposal (RFP) from:

L.7 (c) The Offeror shall have the proposed Program Manager and up to 4 of the Offeror's Key Personnel present the oral presentation (**limit five (5) presenters**). Additional attendees beyond the presenters are not allowed. The Offeror shall introduce each of the presenters at the start of the oral presentation. Introductions shall count against the time limits for presentation. Requests for changes, substitutions, or additions to the proposed presenters are not allowed.
