Question and Answer for RFP10-99-0021 Revision D

Question: Section C, Clause 2.4A

Would NASA consider removing or relaxing the RFP requirement that states, "Prior to proposal submittal for a Launch Services Task Order (LSTO), the proposed launch vehicle configuration shall achieve one successful flight, as established in contract Section C, Clause 14.0, Launch Service Task Ordering Procedures"?

Response: Upon thorough review of this request, NASA has determined the requirement for a proposed common launch vehicle configuration to achieve one successful flight prior to submittal of a proposal for a Launch Service Task Order shall remain as currently written in the RFP.
