Topic Area	Quest #	RIII Doc	Sect.	Page	Question - Issue	GSFC Response
OCI	30	RFP	L.21(c)(5)	81	<p>RFP Section & Paragraph number L.21(c)(5) states "...Within 30 days after contract award, the successful contractor shall submit for NASA approval a comprehensive Organizational Conflict of Interest Avoidance Plan..."</p> <p>We interpret "Within 30 days after contract award..." to apply only at the delivery order level. Does GSFC concur with our interpretation?</p>	Your interpretation is incorrect. The Organizational Conflict of Interest Avoidance Plan is required for the baseline contract, and shall be submitted within 30 days of contract award.
Deficiency corrections	31		L.20 (b)(4)		<p>What (if any) will be the process for correcting any deficiencies that GSFC finds in our proposal after submission? For example, most proposals have an oral and Final Proposal Revision process where the Government will point out deficiencies and give the offeror the opportunity to correct the deficiency. Will RSDO have a similar or equivalent process to make corrections prior to Catalog award?</p>	In accordance with L.20 (b) (4), "The Government intends to evaluate proposals and award contract(s) without discussions with offerors (except clarifications as described in FAR 15.306(a)). Therefore, the offeror's initial proposal should contain the offeror's best terms from a cost or price and technical standpoint. The Government reserves the right to conduct discussions if the Contracting Officer later determines them to be necessary. If discussions are held and final proposal revisions are requested, the Government will specify separate page limitations in its request for that submission."
