Questions/Responses for ICESat-2 Flight Laser Procurement RFP NNG10338284R

QUESTION: Section A of the Offer Volume requires the SF33, Offeror Fill Ins, and Section K. Do we need to provide a full model contract with the required fill ins with our proposal? It is not entirely clear if we have to provide the full model contract back to NASA GSFC if we take an exception to areas of the RFP.

RESPONSE: Follow the instructions specified in L. 15 Offer Volume. The signed SF33 and the pages w/the required fill-ins must be submitted. The balance of the solicitation need not be returned UNLESS you have made changes to other pages that will constitute part of the contract. Any such changes must be separately identified in the Summary of Exceptions.
