May 18, 2011

To: Prospective Offeror's

From: NASA Glenn Research Center
Institutional Services Branch
Attn: Leah Koury, MS 60-1
21000 Brookpark Rd.
Cleveland, Ohio 44135

Subject: NNC11ZD009R - Glenn Engineering Services 3 (GESS 3)

The subject request for proposal (RFP) for Engineering Services at the Glenn Research Center is hereby formally issued. This "final" RFP includes numerous changes from the previously posted "draft" RFP. Offers are cautioned to carefully read this issued RFP as it take precedence over the previously issued "draft" RFP.

Your attention is drawn to a number of significant dates:

- June 1, 2011 – Due date for formal questions.
- June 15, 2011 – Due date for Past Performance Questionnaires
- July 8, 2011 – Due date for proposal submission.

The Glenn Research Center appreciates your interest in this procurement and looks forward to your proposal submission.

If you have questions, please contact me at Leahmarie.Koury@nasa.gov.
