

Correction to 'Questions and Answers #1 for Solicitation #NNC11359052R – Stitching and Weaving of Ceramic Materials'

The answer to Question #3 currently states:

“WIDTH AND LENGTH WILL BE SPECIFIED AT A LATER DATE TO CORRESPOND WITH TESTING REQUIREMENTS. A MINIMUM WIDTH WOULD BE 12 INCHES; BUT THE OFFEROR MUST BE CAPABLE OF WEAVING 24 INCH WIDE FABRIC. THE ASSUMED MAXIMUM WIDTH WOULD NOT EXCEED 6 FEET.”

This is incorrect. The correct answer should read:

“WIDTH AND LENGTH WILL BE SPECIFIED AT A LATER DATE TO CORRESPOND WITH TESTING REQUIREMENTS. A MINIMUM WIDTH WOULD BE 12 INCHES; BUT THE OFFEROR MUST BE CAPABLE OF WEAVING 24 INCH WIDE FABRIC.”
