#### H.4 TASK ORDER PROCEDURE UNDER MULTIPLE AWARD CONTRACTS

- (a) The procedure for administering Task Orders under multiple award contracts is detailed in the Federal Acquisition Regulation (FAR) at 16.505(b). The Government will provide all of the IDIQ contractors fair opportunity to be considered for each task order exceeding \$3,000.
- (b) In placing orders, the Contracting Officer may consider past performance, quality of workmanship, and price to provide each IDIQ contractor a fair opportunity to be considered for each order. Any IDIQ contractor with a pattern of unsatisfactory performance evaluations in any of these areas may be excluded from competing for future Task Orders at the discretion of the Contracting Officer until such time as the Contractor takes appropriate corrective action to assure satisfactory performance on future task orders.
- (c) The Contracting Officer will issue a Request for Proposal (RFP) that will provide the contemplated Task Order requirements. Selection will be based on FAR Subsection 15.101-1, Tradeoff process or 15.101-2, Lowest price technically acceptable source selection process. The process utilized will be identified in each task order solicitation.
- (d) The task order solicitation is a request for proposal only and does not constitute authority to proceed or to incur any cost associated with contract performance. No legal liability shall reside on the part of the Government for any amount until a task order is issued by the Contracting Officer.
- (e) The Government plans to issue task order awards without holding discussions with the offerors. Therefore, the offeror's initial offer should contain the offeror's best terms. The Government reserves the right to conduct discussions if the Contracting Officer later determines them to be necessary.
- (f) The Government reserves the right to forgo competition in the event one of the conditions described in FAR 16.505(b)(2) are met or Contracting Officer determines that it is in the best interest of the Government to issue an order directly to one IDIQ contractor.
