

JUSTIFICATION FOR SOLE SOURCE ACQUISITION
VALUES \$2,501 - \$100,000
RECOMMENDATION AND DETERMINATION TO SOLICIT FROM ONE SOURCE

NASA, John F. Kennedy Space Center, will negotiate with Weibel for two X-Band Radar upgrades.

~~_____~~ the estimated period is six to eight weeks ARO..

Pursuant to FAR 13.106-1(b) and 13.106-3(b)(3)(i), the acquisition of referenced supplies and or services are determined to be available from only one source. Competition is impractical for the following reasons:

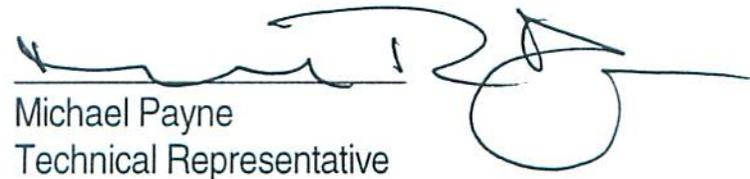

Weibel is OEM for NASA's X-Band Radars, they are sole supplier of this hardware action.

The NASA Weibel X-Band Radars upgrade is available from the OEM Weibel and will provide for the continued reliability, capability, and protection from Obscelesence issues. This continued supportability will provide NASA-KSC with the necessary hardware to meet scheduled manifest support for the NASA Diagnostic Radar System. Market research is not required as upgrade is from the Original Equipment Manufacturer (OEM).

Contracting without full and open competition is permitted pursuant to 10 USC 2304 (c)(1) and/or other authority as appropriate, because the products required by KSC are available from only one responsible source and no other type of supplies or services will satisfy our requirements. Specifically, the capability required is unique to this company's capabilities and uniquely meets KSC's minimum needs e.g. requiring the authority cited.

The requirement is required to be synopsisized in NAIS/EPS.

Based upon the above, I hereby determine that the circumstances of the contract action deem only one source reasonably available for this acquisition. I certify that the supporting data presented in this justification are accurate and complete.
