

CISTO-SCTS Question Set #15

Question/Comment	Response
<p>In response to Amendment #3, we would like to know whether the Government is amenable to accepting delivery of proposals prior to the revised submission date of May 30, 2012 (3pm)? Also, please provide guidance on how proposals may be submitted when the delivery of the proposal is to be done by a Contractor employee(s) who have access to the GSFC facility by way of approved NASA badges.</p>	<p>As stated in Amendment 03 to solicitation NNG12411365R, “The proposal due date is now May 30, 2012, until 3:00pm EST.” Offerors may deliver proposals before this due date. For guidance on the delivery of proposals, refer to L.19 PROPOSAL MARKING AND DELIVERY (JAN 2010).</p>
