

NOTICE OF NON-AWARD, SOLICITATION N NK12421032R

All proposals received in response to the solicitation were evaluated for price in accordance with SECTION M - EVALUATION FACTORS FOR AWARD, M.1 BASIS FOR CONTRACT AWARD, c. EVALUATION OF PRICE PROPOSALS;

- (1) FAR 52.217-5, "Evaluation of Options (JUL 1990)", applies to this solicitation. The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. Evaluation of options will not obligate the Government to exercise the options(s).

- (2) The proposed prices will be evaluated by comparison against the Government estimate and prices submitted by other offerors. Prices that are determined to be more than 25% above or below the Independent Government Estimate or more than 25% above or below the average of all the price proposals received in response to the solicitation will be considered to be unreasonably high or unrealistically low and will not be considered for award.

All proposal prices were assessed as unreasonably high under the above evaluation criteria and therefore not eligible for award. The government is reassessing its requirements and intends to issue another solicitation in the near future. Please continue to monitor FedBizOpps for further information.
