## **Acquisition Update #4**

### **Project and Engineering Support Services (PESS)**

The purpose of this update is to inform industry that the draft RFP posted on July 12, 2012 was issued as the revised draft RFP as stated in the previous Acquisition Update #3. No other draft RFP will be posted.

The revised draft RFP and documents were posted on July 12, 2012 and Industry was allowed time for comments, and questions.

### **Revised Projected Milestones for the Acquisition Cycle:**

The revised tentative PESS schedule is as follows:

Re-issue of draft RFP – July 12, 2012

Issuance of Final Solicitation and Final SOW – Early September 2012

Proposal(s) – Late October (no less than 45 days following issuance of final solicitation)
