

BRAND NAME JUSTIFICATION FOR RESTRICTED COMPETITION

Item: Detronics Fire and Leak Detectors (See KDP-F-1188)

Brand Name: (See KDP-F-1188)

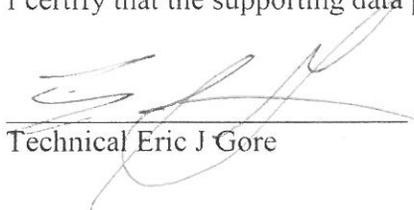

A Brand-Name only restriction is required for the purchase of these Detronics Fire and Leak Detector items for the Kennedy Space Center Hazardous Gas Detection Lab. This lab utilizes these components to fabricate the Remote Gas Leak Detection System and Fire and Leak Detection System.

Brand-name uniformity is essential because the manufacture components have been designed a tested to function to meet the necessary requirements. .

The components can be procured from any suitable vendor given the manufacture part number is equivalent..

Based on the information above, the manufacture parts must be purchased to meet mission requirements.

I certify that the supporting data presented in this justification are accurate and complete.
