TO: **PROSPECTIVE BIDDERS**

SUBJECT: Availability of Government Estimate, Solicitation NND12418431E, Repair
Primary Electrical Distribution System – Phase VII –

The Government Estimate for the subject solicitation was inadvertently included with the project specifications when the solicitation was originally issued. To overcome the competitive advantage gained by those bidders who had seen the Government Estimate, interested bidders may request a copy of the Government Estimate.

Please submit your written request to:
