value of \$100,000.00 for this inclusive effort. "Offeror" and "major subcontractor" for purposes of this solicitation include predecessor companies.

A. The offeror, teaming partners and major subcontractors, including but not limited to mechanical, electrical, construction, design, and instrumentation subcontractors, shall each submit relevant past performance:

- For up to three of their most recent projects delivered which were similar in nature and magnitude, and that were completed within the last 5 years. This list shall include:
 - The client's name, point of contact, address and current telephone number for each completed project.
 - Performance description of facility capabilities resulting from the project.
 - A construction price summary indicating the contract award amount, final price, and any claim information.
 - A summary schedule of events (initiation date, design duration, construction duration, and commissioning date) for the work conducted.
- The offeror and major subcontractors shall describe any contracts that were terminated for performance issues or other circumstances.
- A discussion of the offeror's, subcontractors', and consultants' past experience working together.
- A delineation of key organizational positions, availability of key personnel and qualifications of key personnel required to successfully implement the NOx project.

B. The Offeror and any major subcontractors are instructed to forward the Past Performance questionnaire (Attachment J-8) to contract or client references provided in response to item A above. A maximum of 3 questionnaires per prime contractor and 3 per major subcontractor is requested. Instructions to those contract or client references shall be to complete the questionnaire. The questionnaires shall be sent directly to the Government for purposes of evaluation and submitted by **May 29, 2012** to the following address:
