Note 1: The contractor will furnish one point of contact, and an alternate if the contractor so desires, to receive placement of delivery orders by the Government (refer to Block 8).

Note 2: The contractor shall identify the primary production facility (i.e., manufacturing plant) that will produce and deliver liquid nitrogen and oxygen to meet contract line item number requirements. This production facility will be the shipping point used to determine any charges accrued due to the Government's inability to accept deliveries. The contractor may also identify any alternate facilities that could be used in performance of this contract. In addition, the production facility point of contact(s) will also be used to place request for shipments against Government authorized delivery orders (refer to Block 10).
