**SUBJECT: Langley Research Center Environmental Support Services Procurement
Communications Blackout**

In accordance with NASA and Federal Acquisition Regulations, notice is hereby given that effective immediately a communications blackout is imposed for the Langley Research Center Environmental Support Services procurement. The resulting contract will replace the existing Comprehensive Environmental Support Services contract held by *Science Applications International Corporation (SAIC)*.

All employees must refrain from communicating (either formally or informally) with any prospective offeror regarding any aspects of this procurement. This does not preclude interactions with incumbent contractor personnel required in the normal conduct of business pursuant to the incumbent's existing contract.

All inquiries should be referred to Curtis Hyman, the Contract Specialist, at extension 4-2473. The solicitation and evaluation period will last for the next several months, with selection of a contractor scheduled for approximately August 2012. The blackout period will remain in effect until contractor selection is publicly announced.
