Cleveland, Ohio 44135

SUBJECT: NNC12ZQ012R, NASA GRC Safety, Health, Environmental and Mission Assurance (SHEMA) support services FINAL Request for Proposals (RFP)

The NASA Glenn Research Center's Request for Proposal for Safety, Health, Environmental and Mission Assurance (SHEMA) support services is hereby formally issued. The final RFP contains numerous changes from the previously issued Draft RFP. Offerors are cautioned to carefully read all proposal submission instructions contained in the Final RFP as those instructions supersede the previously issued Draft RFP and any conflicting information provided in the answers to questions that were previously posted.

Please note the following dates:

- June 29, 2012, 4:30 p.m. EST – Due date for formal questions
- July 13, 2012- Due date for past performance questionnaires
- August 2, 2012, 4:30 p.m. EST – Due date for proposal submission

Also note that the Contracting Officer has been changed to Richard Amiot. All communications and questions related to the SHEMA RFP Sol. No. NNC12ZQ012R, shall be submitted in writing via e-mail to the contracting officer, Richard W. Amiot at Richard.W.Amiot@nasa.gov
