SUBJECT: Solicitation NNM12442335R, Revision to Synopsis- Amendment 1

NASA/MSFC has a requirement for "Support for the Research, Development, Design, Testing, and System Maintenance (RDDTSM) For Life Support Systems (LSS)".

This letter is to amend the set aside classification code for the subject synopsis. The Service Disabled Veteran Owned Business status was checked in error. This procurement is not set aside for Service Disabled Veteran Owned Businesses.

If you have any questions, please contact LaBreesha Batey at (256)544-6085 or via email at labreesha.b.batey@nasa.gov
