

# Multiple Award construction Contract (MACC) II

## Questions and Answers-Set 1

**NNA12450885R-PFM**

**Final RFP**

**May 16, 2013**

RFP Section, Paragraph and Page	Question/Comments	Government Response
1. Section L, L.10(a)(B), page L-7	Is it acceptable to submit the CCASS Performance Evaluations completed by the Contract Officer in place of the Past Performance Questionnaire?	As required by the Final RFP, please advise your references to complete the Past Performance Questionnaire as required in Section L, L.10.
2. Attachment J-6 SF 1442 Sample Project-REDS HV WP1	The Final RFP attachment 154285-SOL-001-008, Page 6 of 6 provides a written statement of work. This final statement of work makes no mention of building N243. The final drawings do contain work for building N243. The final statement of work also appears to partially duplicate the work for Building N246; which is mentioned twice. Can you please clarify the Statement of work?	See Amendment 1 for revised Statement of Work.
3. Draft Request For Proposal (RFP) posted on February 21, 2013 Sections A-M, pages-all	With reference to the above subject Solicitation, are any of the questions and answers, sets 1 through 5, issued under the preliminary Solicitation still valid and to be taken into account when preparing our response?	All Questions and Answers regarding the Draft RFP (Sets 1-5) were addressed in the Final RFP. Offerors shall respond to the Final RFP issued on May 9, 2013 and any amendments to the Final RFP.
4. Section L, L.9 Proposal Page Limitations, pages L-5 though L-6	In regards to the format, is it single or double spaced when typing out the proposal? Please advise.	The offeror shall determine the format line spacing of its proposal. See Section L, which states the proposal page limitation requirements.

<p>5. Section L, L.3(b) Communications Regarding this Solicitation, page L-2</p>	<p>Please see Section L/Page L-2 (b) at the top of the page it states Questions or Comments must be received by June 27, 2013. Is it supposed to be May 27, 2013?</p>	<p>See Amendment 1 for date correction. Questions and Comments are due on May 27, 2013.</p>
<p>6. Section L, L.10(a)(B), page L-7</p>	<p>The POQ's we sent it out previously, are they good? Do we have to resubmit?</p>	<p>See response to question 1 above.</p>
<p>7. Section L, L.10(a)(B), page L-7</p>	<p>In Section L.10, (a) Past Performance (Volume I), in lieu of Past Performance questionnaires, will you also accept the government sponsored CCASS reports? The same information is included in them, and saves our contracting officers redundancies. Moreover, many of them are requesting we use the CCASS reports and are becoming less willing to provide the questionnaires.</p>	<p>See response to question 1 above.</p>
<p>8. Section L, L.10(a)(A)</p>	<p>In Section L.10, (a) Past Performance (Volume I), will the government consider relevant past performance for a project that is more than 50% complete?</p>	<p>Per Section L, L.10(a)(A) which states, "The offeror shall each submit relevant past performance for up to three (3) projects (over \$1,000,000) which were similar in size, content and complexity of the requirements set forth in Section C, and that were <b>completed</b> within the last three (3) years."</p>
