

Questions and Answers:

1. **(Question)** Can you upload the SF 1449 form?

(Answer) Yes, I will upload it.

2. **(Question)** I had a question in regard to the **STRUCTURAL IRONWORKER, BOILERMAKER, and AND PIPEFITTER TRADE SERVICES STATEMENT OF WORK (SOW).** **General Requirements 2.4** states that 'This contractor shall hold a current valid **National Board Certificates of Authorization for use of ASME "R".'** **Is it acceptable for this requirement to be met thru a Subcontract Agreement to a contractor holding a valid ASME "R" Stamp to be utilized when the work order deems ASME "R" certification is necessary?**

(Answer) Yes, the sub- contractor can hold the R-Stamp but they need to submit all the appropriate documentation for that subcontractor.
