

Questions and Responses – PART III

FRFP NNG14476256R

15. Does the material figure inserted into the GPM only include physical material, or is the Government's intent that the number includes other ODC's as well?

ANSWER: The material figure provided is strictly as a material plug number for evaluation purposes. Recurring Other Direct Costs and Cost Estimating Relationships shall be proposed in accordance with L.19, Cost Volume Instructions, paragraphs (c) and (k).
