### NASA Academic Mission Services (NAMS)

A map has been provided below to show the location of the overall presentation (Building 3, Showroom on March 19, 2014 at 9 a.m.).

Upon arrival at Ames Research Center:

Step 1: Proceed to the Moffett Field Main Gate. Bring a Government-issued photo ID. If you intend to bring a Foreign National to the NAMS Industry Day, you are required to contact Jeremy Messer ([jeremy.r.messer@nasa.gov](mailto:jeremy.r.messer@nasa.gov)) for additional instructions.

Step 2: Proceed through the Moffett Field Main Gate after showing a Government-issued photo ID and continue onto Clark Road. At the intersection, continue onto South Akron Road until you reach Building 3 (Intersection of South Akron Road and Severyns Avenue). Parking is available on the South and West side of Building 3. See map below.

Step 3: Registration will be from 8:30-9:00 a.m. There will be a registration table outside the Showroom to sign in and badges will be available to fill out and wear.

The Industry Day will start at 9:00 a.m. and last until approximately 11:00 a.m. Only written questions will be accepted. 3 x 5 index cards will be available at the registration table as well as a box to submit questions.
