SOLICITATION
NNL14504840E

REQUIREMENT: Invitation for bids (IFB) for FY'12 Demolition of Various Facilities, Buildings 1192C, D and E & Building 1213.

Offers shall comply with the terms, conditions and instructions contained in the IFB. This cover is for informational purposes only to assist offerors with the preparation of bids. The IFB takes precedence over this cover sheet. Your attention is drawn to the following areas:

1. This IFB is issued pursuant to FAR Part 14 and NASA FAR Supplement Part 1814. In submitting your bid, you must comply with the instructions detailed in the IFB.
2. **Total HUBZone Set-Aside: See FAR 52.219-3. NASA will not consider any offer that is received from a concern that is not an SBA Certified HUBZone small business concern at the time of bid opening.** The NAICS Code for this procurement is 238910, and the applicable size standard is \$12.0M.
3. A site visit is tentatively scheduled for April 8, 2014 at 2:00 p.m. The Building 1213 crawl space has undetermined amounts of Asbestos Containing Materials (ACM) on piping and or deteriorated insulation on the ground. Therefore, to ensure all offerors can adequately estimate the amount of ACM, attendance at the site visit is MANDATORY. Should a change occur it shall be posted to FedBizOPPS and the NASA NAIS website in the form of an amendment to the solicitation. See Section L, FAR Clause 52.236-27 for details.
4. A bid guarantee is required. See Section L, FAR Clause 52.228-1 for details.
5. All questions regarding this solicitation must be submitted in writing via email to M.T. Stubbs, Contracting Officer at m.t.stubbs@nasa.gov, not later than 5 business days prior to the date specified for receipt of bids. Questions submitted, and responses to such questions, or any additional information deemed necessary by the Government shall be posted as an amendment to the IFB on the NASA NAIS website and FedBizOPPS.
6. Specifications & Drawings will be available on the internet via NAIS and FedBizOPPS. Call M.T. Stubbs, Contracting Officer at 757.864.2435 or email at the address specified in 5 above to request a set of drawings if you are unable to download them from the internet.
7. Bid submission location and date is specified in Blocks 8 and 13 respectively of the SF 1442.
