SUBJECT: NNC14ZCH015J, NASA GRC Test Facility Operations Maintenance and Engineering – II (TFOME-II), Industry Days Invitation

In November, 2013, the NASA Glenn Research Center (GRC) posted a sources sought notice for the TFOME-II services required at GRC. This was followed by the release of a Synopsis in May, 2014. GRC anticipates releasing a draft Request for Proposals (RFP) in the very near future. This procurement is for follow-on services to contract number NNC05CA95C with Sierra Lobo, Incorporated.

The anticipated contract will be a cost reimbursement contract with fixed fee for base services and an indefinite delivery, indefinite quantity (IDIQ) task order element. The anticipated period of performance is ten years (one two-year base period and four two-year options).

An Industry Briefing and Site Showing will be held on Monday, June 30 – Wednesday, July 2, 2014 at GRC's Lewis Field and Plum Brook Station campuses with the following agenda:

Monday, June 30, 2014 (Lewis Field Industry Briefing and Site Showing)

Industry Briefing will begin at 1:00pm in Building 8 (GRC Briefing Center) auditorium. Offerors should plan to arrive at the GRC Main Gate (21000 Brookpark Rd., Cleveland OH) at least one hour ahead of time to allow time for check-in and badging. Parking is available as shown in attached maps. A site tour will be available immediately following the industry briefing. The site tour will last until approximately 5:00 p.m. The site visit is a combination bus and walking tour, and attendees must wear appropriate clothing (i.e. low heeled, close-toed shoes and slacks).

Tuesday, July 1, 2014 (Plum Brook Station Industry Briefing, Site Showing and One-on-One Sessions)

Industry Briefing will begin at 8:00 a.m. in Building 7141 (Engineering Building) Assembly Area. Offerors should plan to arrive at the Plum Brook Station Main Gate (6100 Columbus Ave., Sandusky OH) at least one hour ahead of time to allow time for check-in and badging. Security personnel will direct visitors to available parking. A site tour will be available immediately following the industry briefing. The site tour will last

until approximately 11:30 a.m. The site visit is a combination bus and walking tour, and attendees must wear appropriate clothing (i.e. low heeled, close-toed shoes and slacks). Beginning at 12:00 p.m. there will be an opportunity to meet with the Contracting Officer and technical representatives. These sessions will be no more than 25 minutes in length. Times will be from 12:00 p.m. to 6:00 p.m. Pre-registration for these sessions is required (see below) and date, time and location will be assigned by GRC prior to the event. Each Offeror is limited to two (2) persons in their one-on-one session. Offerors should plan to arrive early for their one-on-one session.

Wednesday, July 2, 2014 (Additional One-on-One Sessions – if required)

There may be an opportunity to meet with the Contracting Officer and technical representatives at Lewis Field in Building 60. These sessions will be no more than 25 minutes in length. Times will be from 9:00 a.m. to 4:00 p.m. Pre-registration for these sessions is required (see below) and date, time and location will be assigned by GRC prior to the event. Each Offeror is limited to two (2) persons in their one-on-one session. Offerors should plan to arrive early for their one-on-one session.

Attendance at the briefings and site showings is limited to two (2) persons per Offeror. Pre-registration is required and must be submitted no later than Wednesday, June 25, 2014 at 4:00 P.M. EST. The registration form, which is included at the end of this invitation, may be scanned and e-mailed to Richard.W.Amiot@nasa.gov. All attendees MUST provide a valid, Government issued form of photo ID (such as a driver's license) on each day. All attendees must be citizens of the United States of America in order to have access to NASA GRC.

Attendance is highly encouraged for potential Offerors, but is not mandatory. Questions related to the briefings and site visits or other questions related to this procurement shall be directed to Richard Amiot, Contracting Officer (CO) at the e-mail address provided above.

TFOME-II Contract Site Visit Registration:

Send completed registration forms to Richard.W.Amiot@nasa.gov. **There is a limit of two (2) persons per Offeror. Pre-registration is required.** Registrations must be received no later than Wednesday, June 25, 2014 at 4:00 P.M. EST. Unregistered visitors will not be permitted to attend the briefings or site visits.

NOTE: All attendees MUST provide a valid, Government issued photo ID on each day.

NASA Glenn Visitor Policies

Duration of Visitor Badges

All adult visitors who will be on-site for 1-15 days in the same calendar year will receive a one-day pass. Any visits lasting 15-179 days are required to be processed for a temporary badge. This processing requires the visitor to be fingerprinted.

Identification and Citizenship

All visitors are required to report to the Main Gate and present a government-issued photo identification, such as a driver's license. Extended visits will require 2 photo identifications for a temporary badge to be issued.

Visitors are required to display their badge during the visit and must be accompanied by a NASA Glenn employee at all times. At the conclusion of the visit, the Visitor badge must be returned to the Main Gate.

If any visitor is NOT a U.S. citizen or is a U.S. citizen representing a foreign company, the visitor must be sponsored via a NASA C-216 form by a permanent, full-time, picture-badged, government employee.

Inspection Notice

NASA policy for entry into, continued presence on or exiting from this real property, facility, or installation is contingent upon the visitor's consent to inspection of his person, and property in his possession or under his control. Therefore, all vehicles and bags are subject to inspection and visitors may experience a slight delay upon entering the center. Please factor this potential delay into your schedule.

Cameras

Visitors will only be allowed to take pictures at the outdoor display areas or inside facilities designated as tour stops during scheduled tours led by a NASA escort. During a walking tour, visitors may not use their cameras but may ask a NASA escort to take a picture using the visitor's camera. If uncertain, visitors should check with a member of the NASA staff. Visitors observed taking pictures beyond these areas may have their cameras and/or film (or digital media) confiscated.
