Reply to Attn of: CHC

TO: All Personnel Associated with the Acquisition Entitled "Test Facilities Operations, Maintenance and Engineering II (TFOME-II)"

FROM: CHC/Contracting Officer, Institutional Services Branch

SUBJECT: Blackout Notice

The request for proposals for the TFOME-II procurement was released Thursday, August 8, 2014. Therefore, in accordance with the NASA Federal Acquisition Regulation Supplement 1815.201, the "Blackout Period" is now in effect, and **all associated personnel should refrain from communications with prospective offerors, potential subcontractors, and government team members**. Any comments or questions regarding this procurement should be forwarded to Richard W. Amiot at Richard.W.Amiot@nasa.gov or at (216) 433-6836.

Notwithstanding the above, it is recognized that certain personnel have a need to communicate with prospective offerors relative to the performance of ongoing work under existing contracts. Such communications are permissible, but **limited solely to existing contracts and may not be expanded into matters relating to this procurement.**

The above restriction also does not apply to communications with the Glenn Research Center's Ombudsman, Ms. Marsha M. Nall or Mr. Michael J. Zernic.

Please disseminate this message throughout your organization.
