Cleveland, OH 44135

Subject: NNC14ZCH026R - NASA Glenn Research Center Technology Transfer Office
Support Services

The NASA Glenn Research Center has a requirement for the NASA Glenn Research Center Technology Transfer Office Support Services.

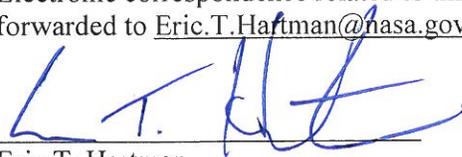

It is the intent of the Government to meet these requirements by issuing an IDIQ type contract with fixed price task orders for a five (5) year period of performance.

Offerors' technical and price proposals will be evaluated using the trade-off adjectival ratings method. Technical Capability, Past Performance and Cost/Price are approximately equal in value. **Please pay special attention to RFP Sections L and M which provide detailed information on proposal requirements and the evaluation process.**

The tentative procurement schedule is as follows:

Issue RFP	August 7, 2014
Question Cut-off	August 27, 2014 4:00 pm EST.
Past Performance Questionnaires due	September 8, 2014 12:00 pm EST.
Proposal Receipt	September 8, 2014 12:00 pm EST.
Contract Award	Late September/Early October 2014
Full Contract Performance	Late September/Early October 2014

Electronic correspondence related to this action and any additional information needed shall be forwarded to Eric.T.Hartman@nasa.gov.

Eric T. Hartman
Contracting Officer
