

LEO Servicing Study Phase II

“Issuance of responses to questions/comments received on Synopsis-NNG140526795L”

Questions or Comments	Responses
<p>1.</p> <p>The amendment 1 says the RFQ is slated for release on or before September 19 but the response is extended to September 9 is this is typographical error?</p> <p>Is this Phase II RFQ solicitation an explicit follow on to Phase I?</p> <p>Is it intended to be performed by Phase I participants?</p> <p>Will Phase I results (and other technical data) be provided when the RFQ is released?</p>	<p>1.</p> <p>The RFQ has not been released yet, only the synopsis. The synopsis has a response due date of September 9, 2014. The RFQ will be released as a full and open competition. The Government will not release the results of previous study as it contains proprietary information.</p>
