This allotment is for performance in all areas and covers the following estimated period of performance: February 1, 2016 through TBD.
- (b) An additional amount of \$ TBD is obligated under this contract for the payment of fee.
- (c) Recapitulation of funding is as follows:

	<b>Previous</b>	<b>This Action</b>	<b>Total</b>
Estimated Cost	TBD	TBD	TBD
Potential Performance Fee	TBD	TBD	TBD
Earned Performance Fee	TBD	TBD	TBD
Total Sum Allotted	TBD	TBD	TBD

(End of Clause)

**B.6 POTENTIAL PERFORMANCE FEE**

- (a) This contract is performance based and utilizes various methods to calculate deductions from the potential performance fee based upon the defined minimum service level standards for the performance of this contract. Attachment **J-4A**, *Service Level Method*, Attachment **J-4B**, *Service Level Matrix*, Attachment **J-4C**, *Service Level Surveillance Plan*, and the Contractor's *Financial Management Report (533M)* (DRD MA-007) and *Cost Reports* (DRD MA-008) will be used to assess Contractor performance and to determine fee.
- (b) The amount of potential - performance fee which can be earned in each evaluation period is limited to the amounts set forth in Clause B.4, *Estimated Cost and Potential Performance Fee*. Potential performance fee which is not earned in an evaluation period cannot be reallocated to future evaluation periods.
- (c) Provisional potential performance fee payments will be made under this contract pending the determination of the amount of fee earned for an evaluation period. If applicable, provisional potential performance fee payments will be made to the Contractor on a monthly basis. The total amount of performance fee available in an evaluation period that will be provisionally paid is the lesser of 70 percent or the prior period's percentage earned. The Contractor may invoice for one twelfth (1/12th) of that amount.
- (d) Provisional potential performance fee payments will be superseded by the final potential fixed performance fee evaluation for that period. If provisional payments exceed the final evaluation score, the Contractor shall either credit the next payment voucher for the amount of such overpayment or refund the difference to the Government, as directed by the

Contracting Officer.

(e) If the Contracting Officer determines that the Contractor will not achieve a level of performance commensurate with the provisional rate, payment of provisional potential performance fee will be discontinued or reduced in such amounts as the Contracting Officer deems appropriate. The Contracting Officer will notify the Contractor in writing if it is determined that such discontinuance or reduction is appropriate.

(f) Provisional potential performance fee payments will be made prior to the first potential performance fee determination by the Government.

(g) Potential performance fee determinations are unilateral decisions made solely at the discretion of the Government. The Contractor will be notified after each period by the Contracting Officer of the deductions from fee, if any, and the final fee determination.

(End of Clause)

#### **B.7 CONTRACT EXTENSION RESULTING FROM PROTEST**

(a) If the award of a successor contract to perform the services being performed under this contract is delayed because of a protest, the Contracting Officer may extend the period of performance on this contract to cover any delay caused by such a protest. The Contractor shall be entitled to an equitable adjustment for such an extension subject to the limitations set forth in paragraph (b).

(b) The final potential fee evaluation period may be extended to include the contract extension period provided for in paragraph (a). However, if the Contractor is the protester or one of the protesters, no additional fee shall be put in the potential fee pool or otherwise made available to the Contractor, unless the Contractor or another protester substantially prevails in the protest.
