

Attachment J-5

**COST SCHEDULES**

All cost schedules contained in Attachment **J-5**, *Cost Schedules*, shall be attached and included in this attachment as part of the signed model contract.

**Attachment J-5A, IDIQ Labor Rate Schedule**: The cost schedule attached herein in Attachment **J-5A** shall be used to cost all Indefinite Delivery / Indefinite Quantity (ID/IQ) Task Orders in support of this contract. The Contractor shall use these estimated hourly labor rates specified in this attachment for costing all task orders contemplated or issued in accordance with Clause **I.12**, *Task Ordering Procedure Alternate I* and **H.20**, *Supplemental Task Ordering Procedures for EAST 2*. If other NASA Centers are added in the future to the EAST 2 contract, it is contemplated and understood by the Government that these estimates labor rates may change due to geographic location and/or local labor rates as defined by the Department of Labor in Wage Determinations, if applicable.

The fully burdened rates contained herein shall be inclusive of all indirect rates and profit including any indirect profit applied to subcontractor rates by the prime contractor.

The Excel spreadsheet, in Attachment **J-5A**, *IDIQ Labor Rate Schedule*, is for the Offeror to populate using it's most favorable fully-burdened IDIQ labor rates for all labor categories, for each Centers/HQ tabs, for all eight (8) years. An escalation rate should be applied for each of the contract years.

In the event the Offeror plans to use multiple subcontractors/teammates for ID/IQ services, you are instructed to use one (1) consolidated fully-burdened and blended labor rate for each labor category.

**Attachment J-5B, Inventory of Software License & Cost Schedule** (Enterprise and MSFC): The cost schedule attached herein in Attachment **J-5B**, *Inventory of Software License & Cost Schedule*, shall include the negotiated software license prices between the Contractor and the product vendors by each Contract Year (CY) for all the items listed. This shall include the software item, description, revision, number of licenses users or copies, period of performance, and or any other pertinent information to identify the software. This software license schedule will change over time as software is added, deleted and/or changed.

*(Note to Offeror: (Reference J-5B, A-Enterprise SW License Listing and B-MSFC SW License Listing,). This attachment shall only be priced after contract award during phase in, but prior to full contract. For evaluation purposes only, you will be provided predefined (plug numbers) estimated cost numbers for software license/maintenance agreements in Attachment L-A, Tab A.)*
