

VCLS RFP Q&A  
NNK15542801R  
June 29, 2015

**1. Will NASA be willing to fund a Military Interdepartmental Purchase Request (MIPR) for the use of Government Property?**

The VCLS contract is for a commercial service subject to the terms and conditions of FAR 52.212-4. Pursuant to Clause 4.6, Use of Government Property, Facilities, and Assets, the Contractor is solely responsible for obtaining and maintaining the necessary agreements between the Contractor and any Government Agency authorizing the use of Government property, facilities, and assets accountable to those agencies, or services provided by those agencies the Contractor may wish to utilize in performance of this contract. As a result, NASA will not contemplate funding Government Property via a Military Interdepartmental Purchase Request (MIPR).
