**NASA VALUATION STUDY THE VALUE BENEFITS AND IMPACT OF SERVIR  
APPLIED SCIENCES TEAM**

**Questions/Answers**

As of July 10, 2015, the following question have been received:

Question 1: As mentioned in section L.6 of the subject solicitation, questions are due by noon CDT on July 6. Will there be a revised date to submit questions?

Answer 1: Yes, the solicitation has been amended to incorporate the following changes:

- A. The date for the Government to receive questions has been changed to July 13, 2015 in section L.6 of the solicitation.
- B. The date for the anticipated Request for Proposal (RFP) amendment release date has been changed to July 20, 2015 in section L.6 of the solicitation.

Question 2: For purposes of accounting for academic schedules when estimating the budget, we have not been able to determine a general timeline for the review of proposals/award date. Would you be able to identify a target date (even if it's a general range of dates)?

Answer 2: The proposals will be evaluated once the posting has closed.

The anticipated award date of the contract will be no later than September 30, 2015.

Question 3: We are interested in collaborating with a specialist at another university – would this be possible (e.g., though a subgrant or other arrangement)?

Answer 3: Whether or not your organization decides to utilize a sub-contractor is a decision that is entirely up to your organization.
