GEORGE C. MARSHALL SPACE FLIGHT CENTER

ADDENDUM TO
JUSTIFICATION FOR OTHER THAN FULL AND OPEN COMPETITION (JOFOC)
PURSUANT TO TITLE 10 U.S.C. 2304 (C) (1)

Pursuant to NFS Part 1804.570 and FAR Part 5.201, the proposed contract action was synopsisized on the NASA Acquisition Internet Service (NAIS) and the Federal Business Opportunities websites on July 10, 2015 and remained posted for 15 days. The only response received was from a firm interested in performing services in an 8(a) teaming partnership. Receipt of their information was acknowledged. Due to the ongoing Facilities Operations and Maintenance Services (FOMSS) re-competition for this effort, it is determined that the best value for the government is to extend the contract for a period of performance of up to one year.
