

## MARKET RESEARCH QUESTIONNAIRE

The National Aeronautics and Space Administration (NASA), George C. Marshall Space Flight Center (MSFC) is conducting market research pursuant to the Federal Acquisition Regulation Part 10. It is anticipated a single solicitation will be issued for MSFC and Michoud Assembly Facility (MAF) Protective Services. The Government contemplates awarding a firm-fixed price mission contract with an indefinite delivery indefinite quantity (IDIQ) element. These services will be provided for MSFC Alabama and MAF Louisiana.

Please answer the following questions:

1. The North American Industrial Classification System (NAICS) code for this preponderance of the required services is 561612, which sets the small business size standard at \$20.5 million (below \$20.5 million 3 year average gross revenue is considered small, above \$20.5 million 3 year average in gross revenue is considered large).

Based on this standard, what is your business size, small or large?
